

WM Announces Further Extension of Private Exchange Offer and Consent Solicitation for any and all of Stericycle, Inc.'s \$500 million Outstanding 3.875% Senior Notes Due 2029

Oct 31, 2024

HOUSTON--(BUSINESS WIRE)--Oct. 31, 2024-- Waste Management, Inc., a Delaware corporation (NYSE: WM) ("WM"), announced today that it has further extended the expiration date of its previously announced offer to exchange (the "Exchange Offer") any and all of the \$500 million aggregate principal amount outstanding of the 3.875% Senior Notes due 2029 (the "Stericycle Notes") issued by Stericycle, Inc., a Delaware corporation ("Stericycle"), held by eligible holders, for a series of new notes to be issued by WM (the "WM Notes") and related solicitation of consents on behalf of Stericycle (the "Consent Solicitation") to adopt certain proposed amendments (the "Proposed Amendments") to the indenture governing the Stericycle Notes (the "Stericycle Indenture").

WM hereby extends the expiration date of the Exchange Offer and Consent Solicitation from 5:00 p.m., New York City time, on October 31, 2024, to 5:00 p.m., New York City time, on November 5, 2024 (as the same may be further extended, the "Amended Expiration Date"). The withdrawal deadline remains unchanged and has passed. As a result, any Stericycle Notes tendered after 5:00 p.m., New York City time, on September 23, 2024 (the "Early Tender Deadline") and on or prior to the Amended Expiration Date may not be withdrawn and the related consents delivered in the Consent Solicitation may not be revoked, except in certain limited circumstances where additional withdrawal rights are required by law.

As of the Early Tender Deadline, the requisite number of consents were received to adopt the Proposed Amendments. WM intends for Stericycle and the trustee for the Stericycle Indenture to execute and deliver a supplemental indenture to amend the Stericycle Indenture giving effect to the Proposed Amendments. However, the Proposed Amendments will only become operative on the settlement date of the Exchange Offer, which is expected to occur on or about the third business day after the Amended Expiration Date, unless WM extends or terminates the Exchange Offer (such date and time, as the same may be extended, the "Settlement Date"), and no earlier than the consummation of WM's previously announced pending acquisition of Stericycle (the "Transaction"). As a result, the Amended Expiration Date may be further extended by WM in its sole discretion.

As of 5:00 p.m., New York City time, on October 31, 2024, \$485,416,000 in aggregate principal amount of SRCL Notes, representing approximately 97.08% of the aggregate principal amount of SRCL Notes outstanding, had been validly tendered and not validly withdrawn (and consents thereby validly given and not validly revoked).

Except for the extensions described above, all other terms and conditions of the Exchange Offer and Consent Solicitation set forth in the exchange offer memorandum and consent solicitation statement, dated September 10, 2024 (the "Offering Memorandum"), copies of which were made available to eligible holders, remain unchanged.

Other than the consummation of the Transaction (without which the Exchange Offer will not be consummated), WM may generally waive any condition with respect to the Exchange Offer and Consent Solicitation, in its sole discretion, at any time.

The Exchange Offer is being made only to holders of Stericycle Notes who satisfy the eligibility conditions described under "Disclaimer" below. Holders of Stericycle Notes who desire a copy of the eligibility letter should contact Global Bondholder Services Corporation, the information agent and exchange agent for the Exchange Offer and Consent Solicitation, at (855) 654-2015. Banks and brokers should call (212) 430-3774. The eligibility letter may also be found here: <https://qbosc-usa.com/eligibility/wm>. Global Bondholder Services Corporation will also provide copies of the Offering Memorandum to eligible holders of Stericycle Notes.

Holders of Stericycle Notes are advised to check with any bank, securities broker or other intermediary through which they hold Stericycle Notes as to when such intermediary needs to receive instructions from a holder in order for that holder to be able to participate in, or (in the circumstances in which revocation is permitted) revoke their instruction to participate in, the Exchange Offer and Consent Solicitation before the deadlines specified herein and in the Offering Memorandum. The deadlines set by each clearing system for the submission and withdrawal of exchange instructions will also be earlier than the relevant deadlines specified herein and in the Offering Memorandum.
