

WM to Host 2025 Investor Day on June 24

Mar 4, 2025

HOUSTON--(BUSINESS WIRE)--Mar. 4, 2025-- WM (NYSE: WM) announced that it will host an investor day on Tuesday, June 24, beginning at 9 a.m. EST, at the New York Stock Exchange in New York City.

Presentations will be delivered by Jim Fish, President and Chief Executive Officer, John Morris, Executive Vice President and Chief Operating Officer, Devina Rankin, Executive Vice President and Chief Financial Officer, and other members of executive management.

The presentations, which will include opportunities for audience questions, are expected to conclude by 12 p.m. A webcast will be available during the event and for replay from the Events & Presentations section of <http://investors.wm.com>.

Further details regarding registration and webcast information will be forthcoming.

ABOUT WM

WM ([WM.com](http://www.wm.com)) is North America's leading provider of comprehensive environmental solutions. Previously known as Waste Management and based in Houston, Texas, WM is driven by commitments to put people first and achieve success with integrity. The company, through its subsidiaries, provides collection, recycling and disposal services to millions of residential, commercial, industrial, medical and municipal customers throughout the U.S. and Canada. With innovative infrastructure and capabilities in recycling, organics and renewable energy, WM provides environmental solutions to and collaborates with its customers in helping them pursue their sustainability goals. WM has the largest disposal network and collection fleet in North America, is the largest recycler of post-consumer materials and is a leader in beneficial use of landfill gas, with a growing network of renewable natural gas plants and the most landfill gas-to-electricity plants in North America. WM's fleet includes more than 12,000 natural gas trucks – the largest heavy-duty natural gas truck fleet in the industry in North America. WM Healthcare Solutions provides collection and disposal services of regulated medical waste, as well as secure information destruction services, in the U.S., Canada and Western Europe. To learn more about WM and the company's sustainability progress and solutions, visit Sustainability.WM.com.
