

WM Opens Registration for 2025 Investor Day

May 16, 2025

HOUSTON--(BUSINESS WIRE)--May 16, 2025-- WM (NYSE: WM) announced that it has opened registration for its 2025 investor day taking place on Tuesday, June 24, beginning at 8:30 a.m. EDT, at the New York Stock Exchange in New York City.

To register, please visit the company's Investor Day event website at: <https://wminvestorday2025.q4ir.com>. While in-person attendance is reserved for members of the investment community, a live webcast of the presentations will be open to all. Advanced registration is required for in-person attendance.

The event will include presentations delivered by Jim Fish, Chief Executive Officer, John Morris, President and Chief Operating Officer, Devina Rankin, Executive Vice President and Chief Financial Officer, and other members of executive management. There will also be multiple Q&A sessions with executive leadership. The presentations and Q&A sessions are expected to conclude by 12 p.m. EDT.

ABOUT WM

WM ([WM.com](http://www.wm.com)) is North America's leading provider of comprehensive environmental solutions. Previously known as Waste Management and based in Houston, Texas, WM is driven by commitments to put people first and achieve success with integrity. The company, through its subsidiaries, provides collection, recycling and disposal services to millions of residential, commercial, industrial, medical and municipal customers throughout the U.S. and Canada. With innovative infrastructure and capabilities in recycling, organics and renewable energy, WM provides environmental solutions to and collaborates with its customers in helping them pursue their sustainability goals. WM has the largest disposal network and collection fleet in North America, is the largest recycler of post-consumer materials and is a leader in beneficial use of landfill gas, with a growing network of renewable natural gas plants and the most landfill gas-to-electricity plants in North America. WM also has the largest heavy-duty natural gas truck fleet in the industry in North America. WM Healthcare Solutions provides collection and disposal services of regulated medical waste, as well as secure information destruction services, in the U.S., Canada and Western Europe. To learn more about WM and the company's sustainability progress and solutions, visit Sustainability.WM.com.
