

Waste Management Announces First Quarter 2006 Earnings Release Conference Call and Second Quarter 2006 Conference Presentation Schedule

March 30, 2006 4:02 PM ET

HOUSTON, Mar 30, 2006 (BUSINESS WIRE) -- Waste Management, Inc. (NYSE:WMI) announced that it has scheduled an analyst conference call on Thursday, April 27, 2006 from 9:00-10:00 a.m. Central Time (10:00-11:00 a.m. ET) to discuss first quarter 2006 financial results. These results are expected to be released before the opening of the market on Thursday, April 27, 2006 and will be available on Waste Management's website, <http://www.wm.com>, after release to the wire services.

Waste Management invites you to listen to the analyst conference call, which is open to the public and will be broadcast live over the Internet, at <http://www.wm.com>. Company spokespersons will include David Steiner, Chief Executive Officer, Larry O'Donnell, President and Chief Operating Officer, Robert G. Simpson, Senior Vice President and Chief Financial Officer, and Greg Nikkel, Director--Investor Relations.

You may also listen to the analyst conference call by telephone by contacting the conference call operator 5-10 minutes prior to the scheduled start time and asking for the "Waste Management Conference Call--Call ID 7247347." US/Canada Dial-In #: 877-710-6139. Int'l/Local Dial-In #: 706-643-7398.

Certain statements and answers to questions during the conference call may contain "forward-looking statements." These statements, and all phases of the Company's operations, are subject to risks and uncertainties, any one of which could cause actual results to differ materially from those described in the forward-looking statements. Investors are reminded that these forward-looking statements must be considered in conjunction with the cautionary warnings and risk factors, which are detailed in Waste Management's most recent Annual Report on Form 10-K filed with the SEC and available from the Company.

What: Waste Management first quarter 2006 earnings release conference call

conference code 7247347.

Waste Management, Inc. also announced today that Company executives currently plan to present at the following investment conferences during the second quarter of 2006:

June 1 Credit Suisse Engineering & Environmental Services Conference

June 6 JP Morgan Basics & Industrials Conference

Although these presentations are not expected to include any material non-public information, the Company will post the presentation slides on its website. The slides will be posted some time during the 24-hour period prior to the scheduled presentation time. The slides may be accessed via the Investor Relations section of the Company's corporate website, which is located at www.wm.com. We anticipate that all of these conferences will be web cast and we will post audio links on our website as they are made available to us.

Waste Management, Inc., based in Houston, Texas, is the leading provider of comprehensive waste management services in North America. Through its subsidiaries, the Company provides collection, transfer, recycling and resource recovery, and disposal services.
