PURPOSE

The Audit Committee is appointed by the Board of Directors to oversee the accounting and financial reporting processes of the Company and audits of the financial statements of the Company. The Audit Committee shall assist the Board in monitoring, among other items outlined in this Charter, (1) the integrity of the financial statements of the Company, (2) the compliance by the Company with legal and regulatory requirements, including enterprise risk management, (3) the independent auditors' qualifications, performance and independence, and (4) the performance of the Company's internal audit function. The Audit Committee shall prepare the report required by the rules of the Securities and Exchange Commission (the "Commission") to be included in the Company's annual proxy statement. The Audit Committee shall have and may exercise all the powers and authority of the Board with respect to the specific responsibilities and authority assigned to the Audit Committee in this Charter or hereafter assigned to the Audit Committee by the Board of Directors, except as may be otherwise provided by law, and shall have all the power and authority required under the Sarbanes-Oxley Act of 2002.

The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of the independent auditors (including resolution of disagreements between management and such auditors regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company. The independent auditors shall report directly to the Audit Committee. In fulfilling that responsibility, the Audit Committee has the ultimate authority and responsibility to select, evaluate, and, where appropriate, replace the independent auditors. The Audit Committee shall preapprove all audit, review or attest engagements and permissible non-audit services, including the fees and terms thereof, to be performed by the independent auditors, subject to, and in compliance with, the *de minimis* exception for non-audit services described in Section 10A(i)(1)(B) of the Securities Exchange Act of 1934 and the applicable rules and regulations of the Commission. The Audit Committee is also expected to obtain and review information supporting the qualifications of the audit engagement team to conduct the audit engagement in accordance with the Standards of the Public Company Accounting Oversight Board ("PCAOB Standards").

COMMITTEE MEMBERSHIP AND STRUCTURE

The Audit Committee shall consist of not less than three members of the Board of Directors designated by the Board of Directors after receiving the recommendations of the Nominating and Governance Committee. Committee shall not, other than in his or her capacity as a director, committee member, committee chair or non-executive Chairman of the Board, accept directly or indirectly any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries. Unless otherwise determined by the Board of Directors, no member of the Audit Committee shall simultaneously serve on the audit committees of more than two other public companies.

The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant preapprovals of audit and permissible non-audit services. The Audit Committee also may delegate such preapproval authority to any of its members.
